Hi Katherine,

Thanks again for your patience. Just wanted to let you know that we have uploaded to the data room at folder 1.4.4, the following materials:

- A chart reflecting the pending personal injury claims, including the NAS claims, which are highlighted in yellow;
- Corresponding complaints for the pending personal injury claims (excluding the complaints for the NAS claims); and
- A chart reflecting all pending claims against the company.

With respect to the NAS claims, we have not provided copies of the complaints at this time because of the large volume and because we were unsure of whether you all intended to include these claims within the scope of your request. However, we are happy to provide these complaints upon request.

Please let us know if you all have any questions, or need additional information.

Thanks,

Chautney

Dear Kathryn and Chautney,

From our list of diligence requests, would you be able to prioritize sending us a list of the personal injury claimants (and the actual complaints/petitions of pending personal injury lawsuits)? We'd be very grateful if we could receive those this week.

Many thanks,
Katherine
